Docket No. AU-00000A-15-0309

October 14, 2015

Arizona Corporation Commission
1200 W. Washington St.
Phoenix, AZ 85007

Dear Commissioners:

We are replying to your letter dated September 8, 2015 as requested.

Ehrenberg Improvement Association, a non-profit Corporation, has neither nor intends to donate to any political candidate or campaign. Political activity by the Corporation is specifically forbidden in Section 3.B of the By-Laws.

We do find it ironic, however, that the Commission refuses to set tariffs for small utilities that allow us to adequately finance required maintenance and operations. Yet the Commission sees fit to set APS and/or Pinnacle West tariffs to the extent that they have "a significant amount of money" unencumbered to spend to influence elections. Somehow, in our opinion, this hardly seems equitable.

Should you have any questions or if I may be of service, please do not hesitate to contact our office at (928) 923-9388 or at the E-mail address above.

Respectfully,

Christina Balvanz
